

The logo features the brand name 'TONIK' in a bold, dark blue, sans-serif font. Below it, the tagline 'Outstanding Design in Outdoor Furniture' is written in a smaller, dark blue, sans-serif font. The text is centered within a white rounded square with a thin white border. The background consists of several overlapping, semi-transparent geometric shapes in shades of orange, teal, and dark blue.

TONIK[®]

**Outstanding Design in
Outdoor Furniture**

At Tonik®, we design durable, American-made furniture that pushes boundaries, connects people and sets the scene for life's best moments.

We work with the best and brightest designers to bring you modern furniture that is as functional as it is fashionable, in colors that are UV-resistant, easy to clean and built to last. Oh, and some of these pieces even light up. So take a seat, order a drink and enjoy. Life is more fun with a splash of Tonik®.

An outdoor patio area featuring a variety of colorful plastic furniture, including chairs and tables in shades of pink, orange, blue, and yellow. Large patio umbrellas in matching colors are open, providing shade. The setting is outdoors with greenery and a building visible in the background.

BIKINI™ LOUNGER

Make some waves with the Bikini™ Lounger from Tonik®.

This chic lounge chair is the perfect centerpiece to any poolside, lakeshore, or seaside. Guests and residents are immediately invited by the elegant curves and brilliant colors to lay back and unwind. The roto-molded, one-piece shape allows for ballasting and partial submersion into water. The Bikini™ Lounger eliminates common failure points with the elegant, yet uncomplicated design. UV, salt and chlorine resistance means the Bikini™ Lounger is built Tonik® Tough to stand the test of time.

KANGA™

Kanga™ is a quirky piece of multi-functional furniture with a tilted design and spherical form that gives it a dynamic sense of motion. It can be used as a stool or side table and features a flat top, plus an open “pass-through” from one side to the other that makes it perfect for taking a seat or sharing a cocktail.

Kanga™ is a highly durable, versatile product that can be used indoors or outdoors. It's UV- and chlorine-resistant construction makes it a perfect compliment to your pool patio, while its lightweight design makes it easy to pick up and move around depending on where the festivities are.

GOBY™

Goby™ is a voluptuously designed collection of furniture with bold curves that hints at high-end pop art when used on funky roof top bars and in amusement parks. But the series can just as easily aid in creating more elegantly spirited areas in hotel lobbies and resorts.

The Goby™ Seating Series is defined by its swaying design lines and optional two-tone version that make this a fashionable and versatile furniture option.

RIPTIDE™

Riptide™ is a modular seating system with three primary shapes that make endless configurations. It's made especially for hospitality and other commercial environments, but fits in just as well in cocktail lounges, outdoor recreational areas and any space where you might find old friends hanging out together or new friends making connections.

SWIZZLE™

Full of motion, our Swizzle™ collection is the perfect addition to a patio, a pool party, or any place that could use a splash of modern flair. This line of stools, planters and lighting options blends form and function into an energetic design that's sure to make heads turn.

Our Swizzle™ stool is a stylish perch that adds character to any space. Swizzle™ planters make a big statement indoors or out and feature drainage to ensure that your foliage stays fresh.

SWIZZLE™

Our Swizzle™ floor lamp elevates our surface light, allowing it to brighten a space from any angle. Mounted on a 60" stand, this playful pod uses an elegant and efficient LED bulb, so you can set a romantic mood or keep the party going well after dark.

JIGGER™

No other stool measures up to Jigger™. Inspired by the classic bartending tool, this fun and functional piece of furniture gives a playful vibe to rooftop decks and poolside bars everywhere.

Between the comfortable foam seat with hundreds of upholstery options, and our bright color palette, the customization options are endless — Jigger™ can be styled to fit in anywhere. Plus: its gently rounded base allows for a subtle sway in case you get fidgety.

TUMBLER™

Tumbler™ is TONIK's versatile duo of rotationally-molded furniture that can be used as tables or stools. Available in 18-inch tall rounds and squares, Tumbler™ creates the perfect spot for friends to kick back indoors or outdoors and enjoy the chilled beverage of their choice.

DOTTIE™

Dottie™ the Sheep is the official Tonik® mascot. Just like our furniture, she's colorful, unexpected and always the life of the party — not to mention durable, full of character and seen around the world. Check out her travels: [#wheresdottie](#).

Dottie's soft, bulbous shapes and bright, inviting colors make her a playful conversation piece that's sure to deliver grins and giggles. She's right at home indoors or out and is built to withstand years of interaction and adventure. Want to brighten your day? She's also available with illumination.

CORKY®

Corky® is our champagne cork-inspired stool that will make you feel all bubbly inside. It's a simple yet elegant little perch that goes perfectly with friends and your favorite beverage. It's the epitome of Tonik's philosophy of work hard but play harder.

Its timeless shape is universally recognized, but has been given a fresh update from Tonik's design, and our vivid colors that allow you to match the product to any space that is looking for genuinely off-beat, funky furniture. To boot, the light-weight construction of Corky® makes it easy to move these pieces around and use your creativity to make wildly playful configurations.

DIMPLE™

Built with modularity in mind, Dimple™ is a multi-use marvel that will have you grinning. Flipped on one side, it's a playfully-shaped stool. Flipped to another it becomes the perfect planter. Better still: its concave dimples can create connected rows that will shape and define even the most open spaces.

HUEY™

Huey™ is an ultra-modern take on the timeless rocking chair, designed from the ground up for soothing comfort, exceptional durability and aesthetic appeal. Offered in both 18" and 16" seating heights, Huey's signature shape is right at home in both relaxing spas and rooftop bars.

JUX™

A stretched, continuous shape folded and flared into being, Jux™ is a dynamic bar and dining set with size and finish options for every environment. The collection is smooth and sculptural, while still conveying strength and durability.

Jux™ fits perfectly at home on a laid-back beachfront or a rooftop bar and features a sturdy one-piece construction that will keep shining in any environment.

TONIKIDS™

The Tonik® take on fun and durable kids furniture = Tonikids™. The bright and colorful modular furniture sparks the imagination and adds to the fun of... well, being a kid!

ILLUMINATED

Northrup Station,
Portland OR

Upgrade your Tonik® furniture and light up the night with optional illumination! Create a dazzling nighttime display with wireless multi-color LED's (battery-powered) or bright white (chorded) for more permanent installations. Either option sets the scene for nighttime fun and is available on most Tonik® products.

SOLID MATERIAL

Our furniture comes out of the mold as a continuous shape rated to withstand a LOT of weight - often more than 500 lbs.

EASY TO CLEAN

Chemically resistant to chlorine, bleach and salt solutions, we make furniture that's built to withstand daily use for years.

CERTIFIED PRODUCTS

Tonik products are GREENGUARD Gold Certified for indoor and outdoor use, and is FDA approved for use around food environments.

RELIABLE

We stand behind our furniture with a five-year limited replacement warranty. With a one year warranty on our lighting elements and electronics.

CUSTOMIZABLE

Most of our furniture can be weighted, secured and illuminated. Our Riptide collection also offers USB ports and modular assembly options.

COLORFUL

We use fully-compounded color, so you won't see any spots or stripes of un-mixed pigment in your product. Our materials are also UV and fade resistant.
